Energy medicine, energy therapy, energy healing, vibrational medicine, psychic healing, spiritual medicine or spiritual healing are branches of alternative medicine based on a pseudo-scientific belief that healers can channel healing energy into a patient and effect positive results. This idea itself contains several methods: hands-on, hands-off, and distant (or absent) where the patient and ...

Crystal healing is a pseudoscientific alternative medicine technique that employs stones and crystals. Adherents of the technique claim that these have healing powers, although there is no scientific basis for this claim. In one method, the practitioner places crystals on different parts of the body, often corresponding to chakras; or else the practitioner places crystals around the body in an ...

In this last chapter of my book, I would like to describe the Christmas celebrations that we were able to experience with Bruno Gröning. It is certainly due to a remarkable spiritual guidance that I am able to write all of this down in my own peaceful and beloved home precisely at Christmas 1998, and therefore more than forty years after the events "as a gift, so to speak, dedicated to ...
