

The following slides discuss specific 20th century literary theories. As we discuss these, you may find yourself agreeing with one or two theories while disagreeing heartily with another. Keep in mind that no single theory offers the "right" answer about a work of literature; good literature is simply too varied. Keeping an open mind and listening to other points of view can enrich your own insights; that is the purpose of criticism.

Founding. The Labour Party originated in the late 19th century, meeting the demand for a new political party to represent the interests and needs of the urban working class, a demographic which had increased in number, and many of whom only gained suffrage with the passage of the Representation of the People Act 1884. Some members of the trades union movement became interested in moving into ...
