Storytelling predates writing. The earliest forms of storytelling were usually oral combined with gestures and expressions. In addition to being part of religious rituals, some archaeologists believe rock art may have served as a form of storytelling for many ancient cultures. The Australian aboriginal people painted symbols from stories on cave walls as a means of helping the storyteller ...

Storytelling - Wikipedia

Digital storytelling is a short form of digital media production that allows everyday people to share aspects of their story. The media used may include the digital equivalent of film techniques (full-motion video with sound), stills, audio only, or any of the other forms of non-physical media (material that exists only as electronic files as opposed to actual paintings or photographs on paper ...
