Bupropion, sold under the brand names Wellbutrin and Zyban among others, is a medication primarily used as an antidepressant and smoking cessation aid. It is an effective antidepressant on its own, but is also used as an add-on medication in cases of incomplete response to first-line SSRI antidepressants. Bupropion is taken in tablet form and is available only by prescription in most countries.

Bupropion - Wikipedia

Environmental engineering is the branch of engineering which applies scientific and engineering principles to:
. protect human health and infrastructure from environmental dangers; protect environments, both local and global, from natural and human threats, including control of waste;
