- Good critical thinking processes don't just look at causes, they look at consequences as well. A great tool for thinking through the consequences of an action is the 7 So What's. The 7 So What's force you to go from an early answer to think through all the possible implications and future consequences of your action. Let me offer an example. Let's say we have a situation where we're going to ...

With the Focus T25 workout schedule, the excuse of "I don't have time to workout" is no longer acceptable. Even before the Focus T25 workout release, I was (and still am) a firm believer that everyone can afford 1 hour a day for exercise. But some people's schedules are a little tighter - maybe you are in college doing your masters program, maybe you work 12-14 hour shifts at work ...
