to learn all you can about heart attack. For example, you should know the warning signs of heart attack so you can get help right away, either for yourself or someone close to you. Some heart attacks are sudden and intense. But most start slowly, with mild pain or discomfort. Here are some of the signs that can mean a heart attack is happening:

What Is a Heart Attack?

heart is the pressure that the ventricle must overcome to pump blood [1] and can be thought of as the load the heart see as it pumps blood through the body. If afterload is increased, the heart must produce higher pressure and less stroke volume, keeping the area of the PV loop constant [3].

The Way of the Heart had its genesis in a seminar that Henri Nouwen taught at Yale University. In this short but profound book Henri turns to the spirituality of the Desert Fathers to show his readers a spiritual path away from the noise, busyness and consumerism of modern life toward a life centered in God.
