The particular focus of How Children Succeed was the role that a group of factors often referred to as noncognitive or “soft” skills—qualities like perseverance, conscientiousness, self-control, and optimism—play in the challenges poor children face and the strategies that might help them succeed. These qualities, which are also sometimes called character strengths, have in recent ...

Feces (poop) from people or animals is an important source of germs like Salmonella, E. coli O157, and norovirus that cause diarrhea, and it can spread some respiratory infections like adenovirus and hand-foot-mouth disease. These kinds of germs can get onto hands after people use the toilet or change a diaper, but also in less obvious ways, like after handling raw meats that have invisible ...

Putting Speciesism on Our Radar. In his groundbreaking book, Animal Liberation, philosophy professor Peter Singer popularized the word speciesism. He wrote: Racists violate the principle of equality by giving greater weight to the interests of members of their own race when there is a clash between their interests and the interests of those of another race.
