Legitimacy, in traditional Western common law, is the status of a child born to parents who are legally married to each other, and of a child conceived before the parents obtain a legal divorce. Conversely, illegitimacy (or bastardy) has been the status of a child born outside marriage, such a child being known as a bastard, or love child, when such a distinction has been made from other children.

A right, so I've been getting lots of emails from readers of SonicSeduction.net about approaching women, or rather, how to overcome the fear of the approach.. Here's what I have learned from the Shogun Method about the art of approaching women throughout the years. (Special thanks to Derek Rake for his input.) OK, let's face it. When it comes to approaching women, most guys tend to ...

Femininity (also called girlishness, womanliness or womanhood) is a set of attributes, behaviors, and roles generally associated with girls and women. Femininity is partially socially constructed, being made up of both socially-defined and biologically-created factors. This makes it distinct from the definition of the biological female sex, as both males and females can exhibit feminine traits.

Women are subjected to domestic violence more often and more severely than are men. According to a report by the United States Department of Justice, a survey of 16,000 Americans showed 22.1 percent of women and 7.4 percent of men reported being physically assaulted by a current or former spouse, cohabiting partner, boyfriend or girlfriend, or date in their lifetime.
